Good Day, Mr. D. Case and Dr. C. Sterling-Case

My name is *Chelsey Gapour*. My family and I have been patients of yours for quite sometime, and every time we visit your office, you make us feel welcome. I would just like to thank you both for sponsoring my **Bram's United Girls Soccer Team**.

This is my first time playing Rep Soccer, and because of your donation, I am able to contribute to my team financially. I am looking forward your continuous generosity in the years ahead.

Please see the link below to see where your company Logo has been added to our sponsor's page.
